Did you ever wonder what it would be like to have your drawings go down on OLYMPIC Bobsled and Skeleton track?

Now is your chance! Draw the skeleton slider Brad Starkey and his surrounds for a chance to have your design on his helmet! Prizes go to the lucky design(s) that get placed on his helmet. Think fast because he will be going up to go 80mph down a icy track!

So do you think you have what it takes to get your design down an Olympic Bobsled and Skeleton Track follow the directions below. Good luck shark bait!

**Brad Starkey**

DIRECTIONS:

- 1) Color Brad (AKA StarktheShark) as he dives onto his sled and takes to the ice at almost 80mph!
- 2) Use Crayon, marker, pencil, what ever you want! Just like the Olympics if you can dream it he can wear it!
- 3) When you are done coloring your picture turn it into your nursing staff to be one of the possible winners to be selected!
- 4) That's it! Get it in my January 1<sup>st</sup>
